Please join us as we retrace the steps of Dr. King and other civil rights heroes.

What Will We Do?

- We will see the award winning National Underground Railroad Center in Cincinnati, OH
- We will relive the experience of the bravery of the people who endured "Bloody Sunday" in Selma, AL
- We will visit Montgomery, AL where the march for voting rights took place. We will be better able to understand the inspiring words of Dr. King who led the March as well as get to know the unsung heroes, ordinary men and women who risked their lives to register Blacks to vote.
- We will relive Rosa Park's nonviolent protest in Montgomery that inspired the movement that helped open equal access to public facilities, AND MUCH MORE!
